Pairstech Capital Management llp

We are pleased to announce that Pairstech Capital Management LLP has been featured in BarclayHedge's monthly Top 10 performance rankings. Pairstech Capital Management LLP (**J8 Futures Fund**) has ranked # 9 in the Diversified Traders Managing Less Than \$10M category for May 2014.

The **J8 Futures Fund** also won a #1 Top 10 Award from Morgan Hedge in the category of Systematic/Quantitative (CTA) for its 12 Months Total Returns ending May 2014.

As of June 2013, the Fund was up Year-to-Date *+11.3%* and Year-on-Year up *+15.4%* with a risk adjusted return of 1.5 for the same period.

The **J8 Futures Fund** is a systematic managed futures fund whose objective is long-term capital appreciation at controlled risk. Innovative risk premium trading strategies, sophisticated portfolio construction, and dynamic risk and money management generate uncorrelated returns with both traditional and alternative asset classes. The Fund may add absolute return and diversification benefits to an existing investment portfolio.

The **J8 Futures Fund** benefits from a well diversified portfolio that has no exposure to equities and uses strategies that are less dependent on the overall market volatility. The Fund is managed by Pairstech Capital Management LLP and implements risk premium trading strategies provided by J8 Capital Management LLP.
